

# Member Perk

Did you know that one of the amazing member perks is the \$50 referral bonus? Every time someone uses your member ID on the Young Living sign up page to order one of the premium starter kits, you'll earn \$50. It doesn't matter if you are actively "business building" or not, all members are eligible to earn!

Simply have your friend or family member plug your member ID into both the "sponsor" and "enroller" boxes on the sign up page and you'll be notified by email once they check out. An even easier option is to have them use the custom Oily Nest link we created for you. This makes sharing super simple! Your link is [www.oilynest.com/](http://www.oilynest.com/)\_\_\_\_\_

Be sure to "qualify" for your \$50 bonus by placing a 50+ pv order during the same month that they enrolled. You will receive \$50 for each person who enrolls using your link! That means if 5 people order a kit, you'll receive \$50 in product and a \$250 paycheck! There is no limit to how much you can earn. Even better, if you place a 100+ pv order, you will qualify for commission payouts and can earn even more! Checks will be sent out to the address on your account the following month, or simply set up direct deposit under your profile section!
